Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Mr. Mann requested information regarding the status of the application because in view of a recently found reference, Applicant would like to file a supplemental amendment. The examiner informed Mr. Mann that a Non-Responsive letter had been mailed on 17 September because Applicant's response did not address a Double-Patenting rejection. Mr. Mann was unaware of the letter and requested a copy be sent by FAX. The examiner agreed to do so. Applicant will respond by addressing the letter and by filing a supplemental amendment. .
